

QUALITY POLICY AND OBJECTIVES

Quality Policy

Rockwood Composites manufacture components and structures from composite materials, employing bladder and compression moulding techniques, and the assembly in accordance with customer requirements.

Everything that **Rockwood Composites** (The Organisation) does has to achieve high performance in one way or another, therefore the organisation aims to provide defect free products to its customers, on time and within budget.

The Organisation is committed to maintaining a **Quality Management System** (QMS) that complies with **EN 9100:2018** and **ISO 9001:2015**, is pertinent to the composites industry and has furthermore been developed to allow for the full integration of in-house and agreed customer specific requirements.

The **QMS** facilitates the review of objectives, policy suitability and provides mechanisms to enable the organisation to become a preferred supplier and embrace the principles of continuous improvement

General Objectives

To establish Rockwood Composites as a preferred supplier due to the technical competence of manufacturing systems, the level of service provided and the quality of the delivered product.

Establish both trust and respect in the eyes of our customers and suppliers.

To monitor materials, processes and plant to ensure their most efficient use and to minimise environmental impact.

The provision of a safe working environment with realistic goals and targets, whereby employees can develop to their full potential

Provide a rapid reaction to defects, and be pro-active response to corrective actions, culminating in the provision of change/amendment to eliminate recurrence.

To commit to the continual improvement of Rockwood's QMS.

Our ability to meet the objectives set out in the above Policy Statement, will be reviewed annually at the Management Review Meeting, and updated if necessary. Specific measurable objectives will be set at the Management Review Meeting and will be reviewed and updated as the objectives develop.

The quality policy shall be made available to relevant interested parties.
